Fuel Tank (gallons) : 300

Fresh Water (gallons) : 75

Holding Tank (gallons) : 28

DESCRIPTION

This 2016 Pursuit 365i SC Euro-style sport yacht is powered by a pair of 350HP Yamaha 4 stroke engines offering excellent cruise speed. The Hull was engineered specifically for the Yamaha Outboard Engine package featuring a sharp entry, 20 degree dead-rise at the transom, traditional strakes, reverse chines and fully enclosed engines. While the detail and construction throughout is pure Pursuit, her styling is more modern. The sleek transom design, shearling, windshield framework, hardtop and hull side window detail define a vessel unlike any other on the market today. The generous Cockpit is designed for entertaining and allows easy entry through an aft transom door from the swim platform.

Located in Venice, Florida - Contact us today to schedule your showing!
