DESCRIPTION

"Coastal Hops" is a 2006 Sea Ray 58 Sedan Bridge yacht for sale. More powerful and adventurous than any other yacht in its class, the 58 Sedan Bridge is ready to take command of the water. Its bold, dynamic styling includes a fiberglass hardtop and full marine electronics. Driven by powerful twin MAN V8 diesel inboards, this Sedan Bridge has a higher fuel capacity than most yachts in its category, plus all the strength and durability you'll need for exploring rougher waters.

"Coastal Hops" is unlike any other Sea Ray 58 on the market. Many new and custom upgrades throughout the yacht make it truly one of a kind. It is professionally maintained both cosmetically and mechanically with a rigorous maintenance schedule. Interior, exterior, and machinery spaces are in mint condition.
