Serial #: 2006019991
Engine Year: 2008
Engine Type: Inboard
Drive: Pod
Power HP: 370.00
Fuel Type: Diesel
Engine Hours: 470.00
Engine Location: Starboard

FULL DETAILS

VESSEL WALKTHROUGH

Flagship of the regal fleet for several years, the 4460 is a high-style luxury sport yacht with a spacious, well-arranged interior and a particularly innovative cockpit layout. She rides on a beamy deep-V hull and her aggressive profile owes much to a gracefully integrated bow pulpit and a unique design. Boarding from one of two transom gates, one is struck by the cockpit configuration- the aft section is small, but the elevated bridge deck is huge with a large U-shaped settee and table opposite the helm. This is a very social layout since most of the guest seating is centered near the double-wide helm rather than aft as it is on most express cruisers. The Regal's plush two-stateroom interior is notable in that both cabins have pocket doors for privacy and each has its own head. Additional features include a walk-through windshield, cockpit wet bar, a power-assist windshield vent, foredeck sunning area and a large transom storage locker. A good performer the 4460 will cruise economically and offer a great range.
