Engine Model: D2848L406
Serial #: 4230264212A301
Engine Year: 2004
Engine Type: Inboard
Power HP: 800.00
Power KW: 0.00
Fuel Type: Diesel
Engine Hours: 1339.00
Hours Date: 07-29-2019
Engine Location: Starboard

FULL DETAILS

OVERVIEW

Sleek styling, exemplary finish, and impressive performance are the hallmarks of the Sunseeker 56 Manhattan, a sophisticated European motor yacht from a company whose name is synonymous with yachting excellence. Dramatic styling aside, the Manhattan's large cockpit and flybridge are matched by her spacious multilevel interior with its high-gloss cherry cabinetry and rich designer fabrics. The elegantly appointed salon provides a separate dining area forward and facing settees aft. Adjoining the galley, several steps down from the salon level, is a small crew cabin. Forward, the master stateroom has en-suite head and shower, while a second head serves the two double guest staterooms. Each cabin features a flat screen TV. A ladder provides direct access from the lower helm to the bridge where the seating can be converted to a panoramic lounge area. The Manhattan's engine room is reached from a hatch in the cockpit. An extended swim platform, teak cockpit sole, and bow thruster are standard. She is built on a deep-V hull with prop pockets. (PowerBoat Guide)
