## DESCRIPTION

"LuSea" is a beautiful, extremely well maintained 2011 39 Tiara Yacht with very light use. She has served as a day boat for short trips and has mainly been a harbor cruiser. The interior condition of this one owner boat looks and feels like it did when it was delivered new.

The seller has a larger convertible sportfish that is used for long trips offshore and travel. With that, he has a professional captain and crew that maintain "LuSea" as well. She was delivered by Galati Yacht Sales and serviced by Galati from day one. This yacht is an excellent choice if you are in the market for a 39 Tiara Sovran in superb condition with all services up to date.

# SPECIFICATIONS
