DESCRIPTION

This 2014 model of the popular 45 Cantius from Cruisers Yachts is in very good condition with only 200 hours on the engines and extended warranties on transmissions until August 2021! The 45 Cantius has embodied all of the features that make today's modern express cruiser: hydraulic swim platform, cockpit reclining bench seat, automatic sunshade, electric grill, refrigerator and ice maker in cockpit, galley to aft with opening dutch door and glass windows; no eisenglass to speak of. Its two stateroom and two head layout has to be seen to be fully appreciated, as both staterooms have ample space and all of the amenities that make cruising and overnighting fun! Truly one of the best boats for a young family with children or two couples on a voyage.
