Engine Type: Inboard
Power HP: 370.00
Fuel Type: Diesel
Engine Hours: 198.00
Engine Location: Starboard

FULL DETAILS

VESSEL WALKTHROUGH

The 41 Cruisers Cantius offers all amenities you are looking for in a modern cruising boat. The fully glass (no isinglass) enclosed salon & helm area has a sunroof, a raised dinette with U-shaped settee, and a full bar area with a refrigerator & freezer aft for serving meals or entertaining. The spacious cockpit features a large L-shaped settee, electric grill, and transom gate to the extended swim platform with bar stools, bar, and large transom storage area. Wide side decks with stainless steel rails lead to the foredeck with sun pad, anchor, & windlass.

There are two very comfortable staterooms. Either one could qualify as the master, but the forward cabin, with a queen size island berth, and head w/separate shower was given that designation. The spacious mid cabin is configured with twin beds that can be converted to a queen and offers an ensuite vanity, head & shower. The lower galley provides another refrigerator, stove top, Microwave & sink with ample storage.

Below are links to the 2018 factory web site and the hi-res listing pictures:
