DESCRIPTION

The 2021 38 Viking Billfish model is sure to be a tournament contender with its day boat styling, impeccable performance, and versatility to fish for sails.

As owner/operator vessels, they offer simplicity and ease of maintenance, serving as ready-to-go fishing machines as well as versatile cruising boats with reliable inboard diesel power. The flybridge is designed with a tournament-style center console walk-around helm. The 38's cockpit is the largest in its class-109 square feet featuring mezzanine seating for comfort and great views while observing fishing in the cockpit. The command deck holds a salon-like living area that includes a port-side U-shaped dinette and a fiberglass hi-lo table.

Accommodations include a large forward stateroom available with a single queen bed or optional crossover bunks and two hanging lockers, and a head with an enclosed shower. An L-shaped galley is equipped with plenty of space to utilize all accessories desired for cooking.
