## DESCRIPTION

2013 Cruisers 45 Cantius line have been some of the most popular American made boats ever built. The model that led the way was the 45 Cantius. The 45 Cantius is seen as the perfect size for any style of boating and is known for its innovations since its release in 2011. With the full glass enclosure, aft galley, joystick docking, large sunroof, 2 staterooms, and 2 head layout, and retractable sun awning, this 2013 has almost all the gadgets and features of the newest 2020 models you will see today. This 45 Cantius has been well taken care of and has been fully serviced. She has been healthily run an average of 100hrs a year which is what you want to see in a boat of this age. This shows that she has been exercised properly and not just sitting at a dock rotting away. Call today to get more info and schedule a showing!

**PRICED AT FAIR MARKET VALUE TO BE THE NEXT 45 CANTIUS SOLD!**
